Congratulations, you are pregnant and we are pleased that you have chosen to have your baby at our hospital.

We offer an infant feeding and colostrum harvesting service before your baby is born, which we invite you to come along to at the following venues:

Mondays - Bourne Hall, Ewell KT17 1TG -

Thursdays - Tweeddale Children's Centre, Carshalton SM5 1SW -
This infant feeding service runs on both days from 12:45 - 2:15 (except for Bank Holidays)

Please contact the Infant Feeding Team for an appointment on: 07975 232374, or book with the receptionist in the Antenatal Clinic

These are informal sessions before your baby arrives to have a chat and a coffee with a health professional, who can talk to you about the benefits of breastfeeding and preparing to welcome and meet the needs of your baby.
