

Antenatal Scan Images

In line with General Data Protection Regulations (GDPR), you are entitled to request a copy of your ultrasound scan images, free of charge, via the Trust Subject Access Request (SAR) process.

In accordance with the Department of Health guidance to NHS organisations, we will always try to provide information, such as your scan photo, within 21 calendar days if it is at all possible to do so. However, the Data Protection Act allows us a legal timescale of 30 calendar days to respond, which start when we receive the following:

- Your written request
- Appropriate evidence of your entitlement to access the information (if you are requesting somebody else's information)
- Satisfactory evidence of your identity
- Sufficient detail of the information you require

Please contact:

Subject Access, Medical Records,
Epsom Hospital, Dorking Road,
Epsom, Surrey KT18 7EG

Or e-mail: esth.subject.access@nhs.net

Alternatively, you can request a memento photograph of your baby's scan today at a cost of £5 per print. Please notify the sonographer at the time of the scan if you want to purchase prints. You will need to pay for these at the reception desk following the scan via chip and pin.

Please note that we cannot accept cash or cheques.
