1. Introduction and Summary

On an annual basis Potenza Atiogbe (Library Service Manager) and Marisa Martinez Ortiz (Deputy Head of Library Services) find out how many Epsom and St Helier (ESTH) authored papers there are in the medical health databases by performing searches in the NICE Healthcare Databases (HDAS), PubMed, Web of Science. For the calendar year 2014, there were 42 ESTH authored papers and for the calendar year 2015 there were 142 ESTH authored papers. Below are the search strategies used and also a full list of all the papers. A full text copy of any of the articles is available by contacting the library at: hirsonlibrary@esth.nhs.uk.
